1. The EMS Agency Chief / Administrator, and agency EMS Coordinator will receive an electronic communication of the SOP's for distribution.
2. Printed copies of the SOP's will be provided to all EMS providers (excluding EMD's unless requested) within the CDHEMS System.
 - a. Revisions made before the 2 year cycle will be delivered electronically to providers
3. Mandatory Continuing Education (CE) will be provided by the CDHEMS System to be completed at each EMS Agency.
4. Failure to complete the mandatory CE prior to the effective date of the updated SOPs may result in system participation suspension for individual providers until the mandatory education is completed.

If there are no changes in medicine necessitating a SOP revision, each SOP shall be reviewed at an interval of every two (2) years to ensure it meets the current needs of Region 8 EMS and the CDHEMSS.
